VOLUNTEER GUIDELINES

NCF-ENVIROTHON ALBERTA 2025

GENERAL VOLUNTEER GUIDELINES

Your skills, passion, motivation, energy, and commitment are what will make this event a success — thank you!

Responsibilities

* Represent NCF-Envirothon in a professional and positive manner.
* Fulfill the duties outlined in your volunteer position description.
* Be respectful, courteous, and friendly when interacting with students, volunteers, and NCF-Envirothon representatives.
* Be punctual and dependable — this is essential to the smooth operation of the event.

Boundaries

* Do not show favoritism toward any student.
* Never be alone with a student under any circumstances.
* Limit cell phone use to avoid distractions from your responsibilities.

Qualifications

* Must be 18 years of age or older.
* Must complete the NCF-Envirothon Code of Conduct form.
* Should have strong communication and comprehension skills.
* Should demonstrate patience, professionalism, and an enthusiasm for both people and the environment.

Training & Supervision

* 2025 NCF-Alberta Host Committee members are available via email before the event to answer questions or address concerns about your role.
* You will check in with a volunteer coordinator each day for assignment details and updates.
* Host Committee members will be available throughout your shift to provide support.
* Any additional training will be communicated in advance via email or included in your role description.

Benefits

* Be part of a fun, rewarding international environmental event.
* Represent the global NCF-Envirothon community.
* Engage with students from across North America and beyond.
* Connect with volunteers and professionals from universities, colleges, and environmental organizations.
